[11:13] <bethelewd> phil is coming soon

[11:14] <gamemaster2003isdead> hello hello

[11:14] <matty3888> funny that player unknown has better views then anything...it is fun to watch really

[11:14] <jbowler21> yay more okami. but from the way phil's talking it sounds like he won't finish it due to low veiwership.ðŸŽ

[11:15] <matty3888> the asian games are boring ..sorry

[11:15] <jbowler21> sad too. it's a great game in my opinionðŸ™,

[11:15] <gamemaster2003isdead> hopefully he at least play okami once a week

[11:17] <matty3888> my jam is phil in open world games

[11:18] <gamemaster2003isdead> hope fully we see okami den HD soon

[11:18] <jbowler21> i'm not saying for him too keep going at it till he's done just as long as he doesn't abandon it and picks it up at a later date if this turn out to be what happensðŸ™,

[11:19] <matty3888> did player unknown get good viewrship yesterday?

[11:20] <jbowler21> 470 something i think.

[11:20] <jbowler21> okami got 370 something

[11:20] <jbowler21> on the premiere stream

[11:21] <matty3888> i wonder if highdr numbers equal higher tips etc?

[11:22] <jbowler21> that's what phil is aiming for right now.

[11:23] <matty3888> did he say he cant play on pc and stream it?

[11:24] <jbowler21> keeps going on about his taxes and needs viewers and tips so he can save his house next month.

[11:24] <jbowler21> stream what matty?

[11:25] <matty3888> player unknowen

[11:25] <matty3888> unknown

[11:26] <jbowler21> i don't know. he plays that on xb1.

[11:27] <bethebaby> BabyRage

[11:28] <bethelewd> go to sleep baby

[11:29] <bethelewd> gamemaster you lost yo hat again
[11:29] <jbowler21> i thought there was only the mod bethe XDðŸ™†
[11:29] <gamemaster2003isdead> no just my mind
[11:29] <bethelewd> baby well she is the mrs
[11:29] <jbowler21> my bad
[11:30] <bethelewd> bethefeug comes in sometimes

[11:31] <gamemaster2003isdead> welcome to the happy home
[11:31] <bethelewd> mmmhmmmm
[11:31] <bethelewd> welcome to MY playpen
[11:33] <darksydephil> hello all
[11:33] <bethelewd> hello phil
[11:33] <bethebaby> Welcome.
[11:33] <darksydephil> we're up to 298 subs again, very nice
[11:33] <jbowler21> phil! hiðŸ™,ðŸ™,
[11:33] <bethelewd> :)
[11:33] <darksydephil> thats amazing considering the 20-30 "fake" subs from October are long gone. we legit earned them now!
[11:34] <bethelewd> that is amazing
[11:34] <gamemaster2003isdead> phil hows it going
[11:34] <darksydephil> okay stream going live in a sec
[11:35] <jbowler21> phil will you finish okami at a later date even if it gets out voted?
[11:35] <darksydephil> its going alright. i kind of feel bad that this playthrough isn't looking good to continue, considering the vids on youtube have like 100 views each
[11:35] <darksydephil> but i have to do what's best to keep my house, ya know
[11:35] <gamemaster2003isdead> can you at least play okami once a week
[11:35] <darksydephil> maybe, as like a shorter stream
[11:35] <darksydephil> we'll have to see what happens
[11:36] <darksydephil> it certainly can't be a focus unless things pick up today bigtime
[11:36] <darksydephil> like i said, Zelda BOTW was a similar situation but people really showed up and were cheering/subbing/tipping constantly so it made up for it. that didn't happen with the first okami stream at least
[11:36] <gamemaster2003isdead> ok thanks for considering it
[11:36] <jbowler21> as long as you finish it eventually i'm cool with that phil.ðŸ™
[11:37] <factorbactorjr> having it as a side playthrough for now seems to be the best way to go until you get out of the slump

[11:58] <theycallmejimbob> probably going on their Christmas Holidays till the first week of January too dspHm
[11:58] <markrodriguez09> so Phil is right about the algorythm. noone is monitoring them. they just get auto-demonetized
